FINAL EVENT RESULTS

A very successful final event took place at the Home for Cooperation in Nicosia, on Sunday January 21st, to celebrate the completion of the Code4Rural project.

The event started with a welcome opening from Dr. Panicos Masouras (CCS Secretary), followed by a presentation about the project's outcomes from Mr. Toumazis Toumazi (Project Officer at CCS).

Participating school principles and representatives from the trainers shared their experience and expressed their gratitude for the opportunity to be part of the project.

A roundtable discussion among participants enriched the event, which concluded with an award ceremony for participating schools and trainers, followed by a hands-on exhibition of the training sessions!

The CODE4RURAL project benefits from a grant under the Active Citizens Fund Cyprus programme, funded by Iceland, Liechtenstein and Norway, through the EEA and Norway Grants 2014-2021.
